Textiles - Cotton Cloth - Mill made - Scheme of quarterly issues - Relaxation.

Development Department.

PRESS NOTE. 234. dated 9-10-1947.

Representations are being made to Government that the scheme of quarterly lapses of cloth ration ordered in June 1947 by the Government, is not widely known to the consumers and would effect adversely those prudent consumers who have reserved their ration with a view to draw it for use on the festive occasions during the last quarter of the calander year. The Government have therefore decided to lift the scheme of quarterly lapses in all areas of the Province. Consumers will thus be eligible to draw the balance of the cloth ration due to them for the current year at any time before the end of the cloth ration year.
